

The Rocky Mountain Area Spring Fire meeting will be held in Cheyenne, WY on April 4-6, 2006.

The meeting will be held at the Hitching Post Inn, 1700 W. Lincolnway, Cheyenne, WY, (307) 638-3301. A block of rooms has been reserved under RMCg for the nights of April 3-6. The rates are \$60 per night. Individuals are responsible for their own reservations. The rooms will be held until Sunday, March 12, 2006. Rooms not reserved by then will be released.

Many of you have been to the Hitching Post in the past for this meeting or others. For some it will be your first experience. The Hitch is a great place to meet. Everything you need under one roof. We always have a lot of fun. I am looking forward to seeing you all there. Come prepared for a productive meeting and a good time.

For those of you that like to ice skate, there is an indoor rink right next to the Hitch. They rent skates or you can bring your own. I think there is public skating every night but am not sure.\

Make sure to reserve your rooms no later than Sunday, March 12. Ray
